# ⚠️ WARNING ⚠️

PLEASE READ THESE INSTRUCTIONS CAREFULLY AND KEEP FOR FUTURE REFERENCE

Do not use the Deep Walk-In Greenhouse for any purpose other than that for which it is designed.

This Deep Walk-In Greenhouse is not a climbing structure. Keep out of reach of children and pets.

This Deep Walk-In Greenhouse is not a toy. Children and pets should be supervised at all times to ensure they do not play with the unit.

## **POSITIONING YOUR DEEP WALK-IN GREENHOUSE**

Locate the Deep Walk-In Greenhouse in a suitable area where it will not create an obstruction.

Position your Deep Walk-In Greenhouse on flat, stable land with sufficient drainage. Rocky or uneven ground can cause stability issues which can impair use.

Keep away from heat sources such as fires and radiators.

**WARNING!** Beware of any overhead or ground level wires or hazards when constructing, positioning and using the Deep Walk-In Greenhouse.

## **BEFORE USE.**

Ensure the Deep Walk-In Greenhouse is correctly assembled before use.

Once assembled, ensure that all bolts and fixtures are sufficiently tightened before use.

It is recommended that you secure the Deep Walk-In Greenhouse to a suitable surface in order to prevent damage in windy conditions.

**IMPORTANT!** Seek advice from a qualified contractor as to the best method of sufficiently securing and anchoring your Deep Walk-In Greenhouse. Extreme winds or weather can cause damage or injury if the Deep

Walk-In Greenhouse is not sufficiently or properly secured and anchored.

## **IMPORTANT SAFETY INFORMATION FOR USE.**

Do not use the Deep Walk-In Greenhouse if any part is broken or damaged in order to prevent risk of further damage or injury. Seek advice and repairs from a qualified contractor to ensure the continued safety and integrity of the Deep Walk-In Greenhouse.

Do not attempt to modify or alter the Deep Walk-In Greenhouse in any way. Doing so will invalidate your warranty.

**NOTE:** The cover can expand and contract slightly dependent on the weather. Do not overtighten the cover over the frame. This may reduce the life of the cover.

Keep sharp objects away from the cover. Any additional items placed inside the Deep Walk-In Greenhouse should be sufficiently covered to ensure they will not puncture the cover.

Always ensure sufficient ventilation when working on hot days or with certain chemicals inside your Deep Walk-In Greenhouse.

Do not clean the unit with any solvents that can damage the coated surfaces.

Ensure all fixtures are checked every 3 months.

Ensure the Deep Walk-In Greenhouse is correctly assembled before loading the Wire Shelves with heavy items.

To avoid damage to the unit, do not drop items onto the Wire Shelves.

Do not place any items onto a broken Wire Shelf.

Load the Wire Shelves with heavier items at the bottom so as to avoid injury and improve stability.

# **WARNING**

---

PLEASE READ THESE INSTRUCTIONS CAREFULLY AND KEEP FOR FUTURE REFERENCE

Always distribute items evenly across the Wire Shelves.

**WARNING!** Do not overload the Wire Shelves as this may result in damaging the product and personal injury.

Maximum loading capacity: 8kg per shelf.

Do not attempt to move the Wire Shelves whilst there are objects placed on top.

Secure the Wire Shelves using cable ties (not supplied).

It is recommended that you secure the Greenhouse to a suitable surface in order to prevent tip-over/damage in windy conditions.

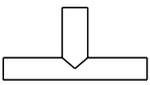

Do not clean the unit with any solvents that can damage the coated surfaces.

## CARE & USE

---

When opening the Cover, always make sure that you roll up the door and use the ties at the top in order to prevent damage when in use.

For safety reasons concerning improved stability of the unit (particularly in bad weather), heavy items should always be stored on the bottom most Wire Shelf.

Appropriately secure or safely dismantle and store the Greenhouse in periods of extreme weather. Overexposure to extreme weather conditions may shorten the longevity of the Cover.

Always seek advice and guidance from a qualified person as to the most appropriate solution to your needs.

---

# DISPOSAL INFORMATION

---

Please recycle where facilities exist. Check with your local authority for recycling advice.

## CUSTOMER SERVICE

---

If you are having difficulty using this product and require support, please contact [hello@domu.co.uk](mailto:hello@domu.co.uk)

## WARRANTY

---

To register your product and find out if you qualify for a free extended warranty please go to

[www.Vonhaus.com/warranty](http://www.Vonhaus.com/warranty).

Please retain a proof of purchase receipt or statement as proof of the purchase date.

The warranty only applies if the product is used solely in the manner indicated in the Warnings page of this manual, and all other instructions have been followed accurately. Any abuse of the product or the manner in which it is used will invalidate the warranty.

Returned goods will not be accepted unless re-packaged in its original packaging and accompanied by a relevant and completed returns form. This does not affect your statutory rights.

No rights are given under this warranty to a person acquiring the appliance second-hand or for commercial or communal use.
