ABOUT US

Vonhaus started with one simple goal: to create products that make life at home easier, more stylish, and a whole lot more enjoyable.

Founded in Manchester, our journey began with a small team and big ambitions.

Today, we've grown into a brand known across the UK as a go-to destination for affordable furniture, DIY, garden power tools, and outdoor living essentials & more to help improve your home and garden.

But no matter how much we've expanded, our mission remains the same – helping you create a home you love.

OUR BRANDS

VonHaus was started with one simple goal - to create products that make life at home easier, more stylish, and a whole lot more enjoyable.

Today, we've grown into a brand known across the UK as a go-to destination for affordable furniture, DIY, garden power tools, and outdoor living essentials & more to help improve the home and garden.

Vonhaus is committed to quality and it doesn't stop with the product - its woven into everything we do, to back this up we include a minimum 2 year warranty on all our products.

The perfect place for budding chefs, seasoned pros, and hosts with the most. VonShef is all about kitchenware

Featuring premium kitchen appliances, brilliant bakeware, food storage and much more. Dinner parties and cocktails nights are covered too, thanks to our A-list entertaining range.

Serve up tasty nibbles on a rustic cheese board, mix your favourite drinks with a stylish cocktail shaker set, and make it look as good as it tastes with elegant dinner sets.

Vonshef is committed to quality and it doesn't stop with the product - its woven into everything we do, to back this up we include a minimum 2 year warranty on all our products.

PRODUCT HUB

Free and easy to use, our product hub is there to help increase customer satisfaction, brand awareness and retention by offering our customers a central location full of product information to help them make the most out of their VonHaus products

Our Product Hub is where you can find the latest videos, product information, images and so much more.....

Lawn Mowers

Cordless Lawn Mower 40V

With this electric cordless lawnmower, you can achieve the exact lawn aesthetic you want whatever the season or condition of your grass – think Wimbledon-worthy results, all year round. .

Electric 1800W Lawn Mower

Wide working width of 430mm. Lawnmower comes with an extra-large 52L collection bag for grass, complete with a handy grass indicator to avoid overfilling.

Electric 1600W Lawn Mower

Whether you want a closely trimmed lawn or a little more length, choose the perfect cutting height. You can adjust the height on this mower with a simple lever – choose from 5 Settings

Petrol Lawn Mower – 171CC

Looking for a top-rated petrol lawnmower for medium to large UK gardens? The Vonhaus mower delivers reliable petrol power, smooth self-propelled movement, and a wide 51cm cutting width.

Every lawn is different, which is why this petrol lawn mower offers eight cutting height settings from 25-70mm.

Mini Cordless Lawn Mower 18V

Powered by a durable 18V 4Ah battery, this cordless lawn mower runs for around 25-30 minutes when in use (50 minutes no-load runtime). Say hello to limitless hassle-free mowing.

Grass Trimmers

vonhaus

Vonhaus Grass Trimmer Range

Maintaining a lawn is easier than ever with VonHaus grass trimmers. Whether you're tidying up edges or tackling overgrowth, our range of cordless trimmers and brush cutters ensures your garden always looks its best.

 **BATTERY & CHARGER INCLUDED**

SCAN HERE

20V Cordless Grass Trimmer

Unlike other Grass trimmers, which utilise a cutting line, the VonHaus 20V Max. Grass Trimmer features an innovative blade system for sharper, stronger and more efficient cutting.

Adjust the Grass trimmer to suit your height using the telescopic handle - adjustable between 92 - 127.5cm - for extra comfort and balance.

Thanks to a 180° adjustable trimmer head, achieving accurate border edges and trimming the tightest corners is quick and fuss-free.

1000W Grass Trimmer & Brush Cutter

This 2-in-1 tool includes a grass trimmer for neatening edges around lawns, fences, decking and more, as well as a brush cutter for pruning and maintaining dense overgrowth

36V Cordless Trimmer & Brush Cutter

Working with a tilling width of 32cm means that each length of the patch you cover will till a greater surface area, decreasing the time taken to complete what can often seem like a gargantuan task.

What will it sweep?

The brush will pick up leaves, small twigs and soil. Please remove any large bits of debris from your surfaces prior to use. *The brush should not be used to sweep up stones or large twigs.*

Artificial Grass Brush

vonhaus

Vonhaus Artificial Grass Brush Range

Artificial grass brushes are the ultimate solution, they help take the hard work out of cleaning one sweep at a time!

Simply giving your fake grass a little TLC, our powerful artificial grass brushes are up to the task

WINNER

AWARDS 2025

SCAN HERE

1800W Artificial Grass Brush

We know that even though artificial grass is low maintenance, pesky leaves, twigs, and debris always find their way onto your lawn.

With its mighty 1800W motor, this artificial grass sweeper delivers exceptional cleaning power. You'll be amazed by its five adjustable working heights and engineered brush head, ensuring maximum cleaning efficiency.

1800W Artificial Grass Brush Lite

The mighty 1800W motor makes this power brush a must-have for any artificial lawn owner. Paired with the no-load speed of 3,500RPM, garden maintenance just got a lot easier.

Prepare to be dazzled as your new turf renovator restores your lawn's lustre, bringing it back to its freshly laid height and presentation with this artificial grass maintenance brush.

Scarifiers

SCAN HERE

 **BATTERY & CHARGER INCLUDED**

2-in-1 Cordless Scarifier & Aerator

Powered by two 20V 4Ah batteries, it provides all the high-powered performance. With a 25-minute no-load run time and a dual battery charger that fully recharges in just two hours.

This versatile lawn scarifier and aerator does more than just scarify – it's your all-in-one solution for a healthier, greener lawn. Thanks to the easy-change drum system.

Customise the scarifying intensity to suit your lawn's specific needs thanks to the five adjustable working depths (-12mm to +6mm)

2-in-1 Scarifier & Aerator 2000W

Designed for medium to large UK gardens, this 2000W lawn scarifier makes it easy to remove moss, thatch, and debris while encouraging stronger, healthier grass growth.

2-in-1 Scarifier & Aerator 1800W

Transform your lawn with the 2-in-1 Electric Scarifier & Aerator. Say goodbye to back-breaking raking, forking, and scraping, and hello to a lush, weed-free lawn – all with the power of one versatile tool

2-in-1 Scarifier & Aerator 1500W

The Vonhaus 1500W lawn scarifier & aerator is your ultimate tool for creating a lush, healthy lawn that's free of moss, thatch, and debris

Rake, Scarify & Aerate.

How to best use your VonHaus 40V scarifier.

Raking Drum.

First, attach the rake Drum to clear thatch and moss.

Scarifying & Aerating Drum.

Next, attach this Drum to simultaneously remove stubborn roots and aerate the soil.

Two 20V 4Ah Batteries.

Extended and dependable performance.

Leaf Blowers

SCAN HERE

Leaf Blower with Vacuum & Mulcher

Whether you're blowing leaves into a neat pile, vacuuming them up, or mulching them for compost, this versatile garden vac takes the hassle out of your outdoor chores.

Why juggle multiple tools when this leaf blower vacuum does it all?

In blower mode, you'll easily clear your garden leaves and debris. Switch to garden vac mode, suction will gather everything into the large collection bag.

The built-in mulcher then shreds the leaves at a 10:1 ratio, creating compost-ready material.

Cordless Leaf Blower

With a 12,000rpm rotation speed, the blower can clear vast areas in a short space of time.

Forget running long extension cords, this 20V leaf blower is cordless and lightweight, so you're free to roam the outdoors without restrictions.

Corded Leaf Blower

Transform your garden from a jumble of leaves into a pristine outdoor haven with the VonHaus leaf blower.

Offering a mighty 3000W of power thanks to its motor and a generous 13,500RPM no-load speed, your garden refresh starts here.

Collection Bag for 3 in 1 Leaf Blower

Our leaf blower collection bag is a durable, lightweight bag designed to attach to your VonHaus 3 in 1 leaf blower, vacuum & mulcher, efficiently collecting leaves and debris during garden cleanups.

Hedge Trimmers

vonhaus

Vonhaus Hedge Trimmer Range

With precision blades and cordless hedge trimmers for convenience, say goodbye to overgrown hedges – because it's time for a trim.

Cordless Hedge Trimmer 40V

Complete with double blade action, using two laser cut blades for fast cutting, this high-powered 40V MAX battery cordless hedge trimmer offers optimum performance for quick and easy garden maintenance.

Cordless Pole Hedge Trimmer 40V

With a high-powered 40V battery. An 8 Foot telescopic adjustable aluminium tube brings the hard-to-reach areas of shrubbery to you, extendable from 208 to 262cm.

Rotatable Hedge Trimmer 710W

Using the handle adjustment button, simply rotate the rear handle around the main part of the tool. Choose any position within a 180° spectrum and alternate between to suit vertical or horizontal use.

Hedge Trimmer 450W

Designed for fast, efficient cutting, the hedge trimmer features a robust 41cm steel cutting blade that oscillates at a rate of 1600rpm, delivering a clean precise cut and finish. Effortlessly cuts through branches and twigs up to 16mm thick.

2 in 1 Cordless Hedge & Grass Trimmer

With a 170mm-long trimmer blade and a 90mm-wide grass shearing blade which clip on and off easily without tools, you can switch between functions seamlessly according to your needs.

Chainsaws

Vonhaus Chainsaw Range

With precision blades and cordless hedge trimmers for convenience, say goodbye to overgrown hedges – because it's time for a trim.

Cordless Chainsaw 20V

Say goodbye to petrol fumes, fiddly pull cords, and tangled cables – this pole chainsaw runs on a 1.5Ah 20V battery, delivering 26 minutes of runtime and charging up to full in an hour.

Cordless Pole Chainsaw 40V

A high powered 40V battery powers the 8FT telescopic adjustable aluminium tube, easily modifiable from 170 to 225cm for maximum reach. A rotary cutting head opens the tool up to multiple cutting angles

Garden Shears, Lopper & Pruner Set

Neaten up your garden hedges, grass and shrubs with our ultimate gardening tool kit. Chop, trim, and shape with ease with the VonHaus garden shears set.

2 in 1 Chainsaw & Hedge Trimer

Equipped with a trimmer and chainsaw, you'll be able to effortlessly trim and cut through hedges, branches, brambles, shrubs and thick overgrowth.

Cordless Garden Pruner

Weighing only 920g, you can reach every nook and cranny of your garden without straining. Powered by a 7.2V li-ion battery pack, it cuts up to 800 branches (approx.) after a 3-hour charge.

Vonhaus Rotavators Range

Efficient rotavators for preparing garden soil with ease. Features robust blades, adjustable depth settings, and powerful engines to break up tough ground. Ideal for landscaping, cultivating, and maintaining healthy soil for planting.

20V Cordless Garden Tiller

Powered by a long-lasting 4Ah 20V battery, this garden rotavator delivers a much longer run time than standard 2Ah models. With up to 36 minutes of no-load run time

Electric Rotary Tiller 1500W

Featuring a 400RPM no-load speed, the tiller's six durable steel blades offer a working width of 450mm and working depth of 220mm, providing the range needed to till large spaces.

Electric Rotary Tiller 1050W

Working with a tilling width of 32cm means that each length of the patch you cover will till a greater surface area, decreasing the time taken to complete what can often seem like a gargantuan task.

Pressure Washers

Vonhaus Pressure Washer Range

Features powerful motors, adjustable pressure settings, and durable nozzles. Lightweight and easy to use, perfect for tackling tough dirt, grime, and stains outdoors.

SCAN HERE

2200W Pressure Washer Set

Powered by a 2200W motor, the jet wash boasts a working pressure of 1600 PSI (110 bar) and a max pressure of 2000 PSI (165 bar), making it fit for tough cleaning jobs.

1500W Pressure Washer Set

Revive tired patios, muddy paths, and road-grimed cars with the Vonhaus 1500W Pressure Washer. Built for homes that want serious cleaning power without bulky kit

1600W Pressure Washer Set

With a carbon brush motor, max power of 130 bar, and max flow of 6.5l/min. The pressure can be adjusted between 90 and 130 bar to power wash your patio, car, and more.

25m Splash-Proof Extension Reel

The extension cable is housed in a neat reel that enables tidy storage. The 25-metre cable is neatly coiled around an internal core, which makes it easy to unwind for use and rewind effortlessly when you're done.

Hose Reels

Retractable Garden Hose Reel - 20m or 30m

The VonHaus Retractable Garden Hose Reel takes the hassle out of watering, with an anti-kink hose that automatically locks in place as you pull and springs back into its housing when you're done — no rewinding, no tangles. Wall mounted with a 180° pivot and complete with an 8-pattern spray gun, it's a neat, effortless watering solution for any garden. Available in 20m or 30m.

Retractable Garden Hose Reel - 20m, 30m, or 40m

Wall mount your watering routine with the VonHaus Retractable Garden Hose Reel — pull to lock at any length, then a gentle tug sends it neatly winding back into its weather-resistant casing. With a 180° swivel bracket, self-cleaning inlet bristles, and a nine-function spray gun included, it's built for effortless, tidy watering across gardens of all sizes — available in 20m, 30m, and 40m lengths.

Hose Reel Range

Keep your garden watering neat and tangle-free with our range of hose reels, designed to store and dispense your garden hose with ease. From wall-mounted to freestanding styles, our hose reels offer a practical and tidy solution for gardens of every size.

Garden Hose Reel - 15m or 25m

The VonHaus Garden Hose Reel offers a versatile 2-in-1 design that can be wall mounted for neat storage or carried around the garden with ease. Built with a durable three-layer reinforced hose, a foldaway winding handle, and an 8-pattern spray gun, it's a complete, ready-to-use watering solution for gardens of every size.

Available in 15m and 25m lengths, both reels feature a UV-resistant, impact-resistant frame built to handle year-round UK weather.

Expandable Garden Hose - 15m or 30m

The VonHaus Expandable Garden Hose is a lightweight, flexible alternative to traditional hoses, expanding up to three times its original length under water pressure before shrinking back down for effortless storage. Available in 15m and 30m lengths, both come complete with a 10-mode spray gun, tap connectors, and a storage bag or mounting hook.

Greenhouses

Deep Walk In Greenhouse

Ideal for propagating seeds, raising seedlings and cultivating plants, the VonHaus Deep Walk In Greenhouse offers protection from frost, cold and pests.

Walk in Greenhouse

With six integrated shelves, you can make the most of vertical space for all your pots, plants and trays – great if you have a small garden, or have run out of planting space at ground level.

Polytunnel with PE Cover Greenhouse

Built to last, our garden tunnel features a galvanised steel frame that's strong, corrosion-resistant, and designed to withstand whatever the weather brings.

4 Tier Mini Greenhouse

With four removable shelves, you can make the most of vertical space for all your pots, plants and trays – great if you have a small garden, patio, balcony or terrace. Ideal for storing multiple plants – each shelf has a maximum weight capacity of 8kg/ 18lbs.

4 Tier Garden Shelving Unit - 2 Pack

Pack of 2 heavy duty 4 tier garden shelving units – ideal for patios, garages, utility rooms and more. Each shelf has a maximum weight capacity of 8kg

PVC Cover for Walk in Greenhouse

Replacement cover for VonHaus Walk In Greenhouse. Also suitable for use with many other models. Please check sizes before purchasing

G-Series Cordless Electric Weed Remover

Tackle weeds without harmful chemicals using the VonHaus G-Series Electric Weed Sweeper – a cordless, lightweight tool with brushes spinning at 1,200RPM to power through even the most stubborn growth. The height-adjustable telescopic handle, D-bar grip, and guiding wheel make for comfortable, precise weeding across patios, driveways, decking, and flower beds.

Three interchangeable brushes cover every surface, while the Li-Ion battery delivers a 2-hour run time and recharges in just 2 hours.

Electric Weed Remover

Tackle stubborn weeds without the backache or harmful chemicals using the VonHaus Electric Weed Sweeper – a lightweight 2.3kg corded tool powered by a 150W motor spinning at 1,300RPM.

Three interchangeable brushes cover every surface from hard concrete and block paving to delicate decking and tiles, while the guide wheel, brush guard, and front handle ensure safe, precise, and comfortable use across the whole garden.

Garden Maintenance

Vonhaus Garden Maintenance Range

At VonHaus, we believe that keeping your garden tidy and vibrant shouldn't feel like a chore. That's why our garden maintenance range offers practical and reliable tools to help you, help your plants thrive.

90kg Folding Sack Truck

Constructed from solid, yet lightweight aluminium, with a 90kg carrying capacity and an extendable handle that reaches a maximum length of 108cm.

Black Composter Bin - 360L & 480L

Every year, the UK produces over 6 million tonnes of household food waste, massively increasing our carbon emissions and quickly filling up landfills. One of the best ways to help out? Composting!

400W Water Drainage pump with 8m Hose

With a maximum drainage rate of 7500L/H, this 400W motorised water pump rapidly empties water from pools, hot tubs, ponds, flooded rooms and other bodies of water up to 7m deep.

Fence Post Auger

Dig With a versatile 15cm diameter, you can create cylindrical holes for fences and umbrellas, plant shrubs, plants, and veggies, or mix fertiliser. The powder coated Q235 carbon steel construction ensures longevity, resisting rusting and scratching.

Lawn Leveller

Achieve a smooth, professional-grade lawn with ease using the VonHaus Lawn Leveller – a lightweight 3kg tool designed to level soil, break up sand, and prep surfaces for seeding or topdressing, with an ergonomic grip and rust-resistant finish built to last.

230L Folding Garden Trolley

A heavy-duty workhorse with a 500kg capacity, perfect for transporting everything from compost and logs to gravel and building materials. Durable, spacious, and easy to manoeuvre.

Garden Dump Cart

This handy garden assistant boasts a generous 75L capacity, 250kg static load capacity and 180kg dump capacity. Ideal for transporting and unloading plants, soil, mulch, coal, stone, logs, general garden waste, tools and more!

78L Wheelbarrow

The garden trolley's generous dimensions and large 78L capacity make it a reliable workhorse for lifting and transporting garden essentials such as compost, gravel and sand. The wheelbarrow cart has a steel frame and robust plastic tray.

10" Spare Pneumatic Wheels 4 Pack

Replace worn wheels on your VonHaus Garden Trolley Cart with this 4 pack of pneumatic wheels. Pneumatic wheels can absorb unevenness of terrain.

120L Folding Garden Trolley

Lightweight at just 11kg, it folds down slim enough to store in the included cover. With a 70kg capacity, 360° puncture-proof wheels with locking brakes, and no assembly required, simply fold out and load up.

13" Spare Pneumatic Wheels 2 Pack

Replace worn wheels on your Garden Trolley Cart with this 2 pack of pneumatic wheels. Pneumatic wheels can absorb unevenness of terrain.

American Style Charcoal BBQs

XL American Style BBQ Grill with Smoker

Designed as the ultimate American BBQ grill, this robust, charcoal BBQ grill not only delivers mouthwatering, flame-grilled flavours but also doubles as a wood smoker for that extra smoky goodness.

Crafted from cast iron with an enamel coating, our grill offers superior heat distribution and long-lasting durability. The rugged steel components provide excellent heat retention, ensuring consistent grilling performance every time.

SCAN HERE

XXL American Style BBQ Grill with Smoker

Load charcoal via the door.

One BBQ, **Multiple Cooking Styles.**

From slow smoking to high-heat grilling.

Low & Slow

Smoke food in the main barrel using heat from the offset chamber.

Maximum Grilling Space

High-heat grilling across both chambers. Perfect for large gatherings.

Barrel Charcoal BBQ with Offset Smoker

Built for low and slow cooking, this barrel charcoal BBQ pairs a spacious main grill with an offset side fire box to circulate heat and smoke more evenly – delivering deeper flavour and more consistent results than direct heat alone. When the pace picks up, the main chamber doubles as a generous direct grill, giving you the flexibility to cook for a crowd without compromise.

A built-in temperature gauge, adjustable vents, and a four-level charcoal tray keep you in control throughout. Wheels, a lower storage shelf, and a removable ash tray make the whole experience – from setup to clean-up – that much easier.

Finished in a durable powder-coated steel frame with heat-safe handles and a stable four-leg base, it's built to handle the garden season after season.

Vonhaus Charcoal BBQ Range

Ignite your grilling passion with our charcoal BBQ range. Our charcoal barbecues deliver that unmistakable smoky flavour that has everyone coming back for seconds.

Compact American Style BBQ Grill with Smoker

The VonHaus Charcoal BBQ is a versatile American-style barbecue that lets you sear over direct heat or slow-cook with the lid closed for deeper, smokier flavour. With adjustable airflow vents, a four-level charcoal tray, generous enamel-coated grill space, and a built-in warming rack, it's built to feed a crowd without the stress.

A folding side shelf, lower storage shelf, removable ash tray, and built-in bottle opener make the whole experience – from first flame to final clean-up – as effortless as possible.

Kettle Charcoal BBQ Grill

The traditional round BBQ design is not only charming on the eye, but it also makes space for the large 53.5cm diameter charcoal grill.

Compact Charcoal BBQ Grill

Level up your home barbecues with our versatile 2-in-1 barbecue, allowing you to sear, slow barbecue, or even smoke your meals for that classic American taste.

Gas BBQs

6 + 1 Burner Gas BBQ

The VonHaus 6+1 Burner Gas BBQ delivers serious cooking power for every outdoor occasion, with six 2.8kW main burners for even heat distribution and a dedicated 3.2kW side burner for sauces and sides.

A built-in temperature gauge, integrated warming rack, and enamel-coated grill surface make it as practical as it is powerful, while the side table, lower shelf, and smooth-rolling wheels ensure everything you need stays close to hand

SCAN HERE

Dual Fuel BBQ

Why settle for one way to BBQ when you can both. Introducing the Dual Fuel BBQ, your ultimate outdoor grilling companion. Effortlessly combining the smoky authenticity of charcoal grilling with the precise control of gas cooking, this dual BBQ is your ticket to every outdoor feast.

4 + 1 Burner Gas BBQ

The VonHaus 4+1 Burner Gas BBQ offers versatile outdoor cooking with four 2.8kW main burners, a dedicated 3.2kW side burner, and a built-in temperature gauge for precise heat control. An easy-clean enamel grill, integrated warming rack, and handy side table make it a practical, no-fuss choice for any occasion

Barrel 2 Burner Gas BBQ

Add an al fresco twist to mealtimes with our compact 2 burner gas BBQ. Each burner boasts a 2.8kW output, providing all the power you need to fuel a feast.

Barrel Charcoal BBQ Grill

Built to last and with plenty of space, a barrel drum BBQ is perfect for those who love the authentic taste of charcoal grilling and enjoy a hands-on cooking experience.

XL Barrel Charcoal BBQ Grill

Fire up the ultimate feast and take your outdoor cooking to the next level with our barrel BBQ. Featuring a classic oil drum design and extra large 80 x 40.5cm grill, this charcoal BBQ is built for big gatherings

Barrel 4 Burner Gas BBQ

Our 4 burner gas BBQ, boasting a mighty power output of 11.2kW. High temperature resistant powder coated finish, which pairs with the sturdy steel frame to create a barrel BBQ that's built to last.

Thanks to the four individually powered burners, you can cater to all your cooking needs at once. Section off the 60cm x 36.5cm gas grill to create a low-and-slow cooking zone, a mid-heat zone for gently grilling meats, and a high-temp steak-searing zone.

Pizza Ovens

Outdoor Pizza Oven

Introducing our outdoor pizza oven – the perfect addition to all your outdoor culinary adventures, whether it's mixing up weeknight meals or taking centre stage at your next pizza party.

Thanks to the efficient propane gas fuelled design, getting hungry mouths fed is a breeze. Simply attach the hose and regulator, pre-heat the oven for 15 minutes, and you're good to go! Each pizza takes just five minutes to cook, so you can enjoy a delicious pizza in no time.

Enjoy the authentic taste and crispy texture of your favourite pizzas with the removable ceramic pizza stone.

SCAN HERE

BBQ Grill Top Pizza Oven

Two Loungers

Vonhaus Adirondack Range - Hudson

Unwind in style with Adirondack chairs – the timeless garden essential that has redefined outdoor relaxation for over a century. With wide armrests, a gently sloped back, and a deep, comfortable seat.

Hudson Adirondack Chair

Crafted from durable Acacia hardwood, it blends with any outdoor décor, infusing your garden with a touch of natural beauty. But let's dive into the captivating details that truly make this Adirondack chair shine.

Hudson Folding Adirondack Chair

The folding chair's sloping seat and elegantly splayed backrest beckon you to unwind after a hard day, providing cosy comfort and support.

Hudson Adirondack Folding Table

Not only is your hardwood garden table sustainable, it is also extremely hardwearing, boasting a max weight capacity of 50kg. Arriving pre-assembled, start using your small 50cm wide table right away!

Hudson Adirondack Foot Stool

The splayed slats sloping to a comfortable curve make this footstool the perfect for putting your feet up. Keep the stool's sheen as lustrous as the day it arrived by applying a thin layer of teak oil every 12 months.

Milan Adirondack Outdoor Cushion

If you already have an Adirondack Chair you love, enhance your experience with the Adirondack Chair Cushion. The sage green creates a modern feel that makes this cushion perfect for an outdoor Adirondack.

Westport Range - Grey

Westport Grey Adirondack Chair

Supporting up to 110kg, our high-density polyethylene garden chair provides stability. The embossed wood-like texture lets you benefit from the aesthetic charm of solid wood – without the extensive maintenance!

Westport Grey Rocking Chair

Waterproof and heavy duty, this rocking garden chair boasts an impressive 110kg max weight capacity. Unlike other Adirondack chairs, this garden seat won't splinter, crack, or fade over time.

Westport Grey Folding Chair

Our garden folding chair combines portable practicality with classic style and a robust 110kg capacity, creating the ultimate garden armchair.

Westport Grey Jack & Jill Seat

The charming tete a tete seat creates the perfect perching spot for two. At 35cm x 53.5cm, the tabletop provides ample space to keep any drinks, snacks, and books close to hand.

Westport Grey Love Seat

Snuggle up and nestle down into the Westport garden love seat, providing an inviting spot to relax with a loved one and embodying the garden snuggle chair design in all its cosy glory.

Westport Grey Garden Chair with Footstool

Create an inviting al fresco spot to cosy up and relax into with our Westport garden chair with footstool. Charmingly oversized yet stylishly understated

Vonhaus Adirondack Range - Westport

Looking for a sure-fire way to extend the cosy feeling of your home to your outdoor space? Our Westport Adirondack chair is the ultimate solution, with a charming oversized shape that invites you to cosy up and settle down al fresco.

Westport Green Adirondack Chair

Supporting up to 110kg, our high-density polyethylene garden chair provides stability. The embossed wood-like texture lets you benefit from the aesthetic charm of solid wood – without the extensive maintenance!

Westport Green Folding Chair

Our garden folding chair combines portable practicality with classic style and a robust 110kg capacity, creating the ultimate garden armchair.

Westport Green Chair with Footstool

Create an inviting al fresco spot to cosy up and relax into with our Westport garden chair with footstool. Charmingly oversized yet stylishly understated.

Westport Green Jack & Jill Seat

The charming tete a tete seat creates the perfect perching spot for two. At 35cm x 53.5cm, the tabletop provides ample space to keep any drinks, snacks, and books close to hand.

Westport 5 Years Warranty

Our Westport range comes with a FREE 5 year warranty.

Outdoor Furniture

Alba 6 Seater Garden Dining Set

Our outdoor dining set lets you embrace the beauty of wicker without the maintenance hassles, thanks to the PE rattan construction.

Gather around our generously sized rattan dining set; with a W150cm x D90cm tabletop, rest assured there'll be no elbow bashing throughout your meal! Accompanied by six dining chairs.

Our 6 seater garden dining set features a wipe-clean tempered glass tabletop, providing not only easy maintenance but advanced durability too.

Alba Reclining Sofa Set

Whether you want a garden day bed to take your movie marathons outdoors and embrace long summer evenings, or a rattan garden set to comfortably seat up to four people – this garden sofa does it all.

Murcia 2 Seater Wooden Grey Bench

The bench is made from durable hardwood with a grey antique finish. The teak oil coating adds an extra layer of protection and a beautiful, lustrous finish, guaranteed to look stylish in any garden.

Kuta 2 Seater Rattan Bistro Set

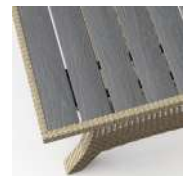

With ergonomically designed chairs and a robust glass-topped table, this 2-seater garden furniture set combines effortless functionality with timeless sophistication.

Dinner Party Ready.

The 9 seater outdoor dining set is perfect for hosting family and friends.

Kos Rattan Garden Corner Sofa Set

Nine seats, deep cushions, and a polywood table that wipes clean in seconds – this corner sofa set turns your garden into somewhere people actually stay.

The L-shaped design tucks neatly into the edges of your space, while the steel frame and PE rattan hold up through the seasons without needing to be dragged inside at the first sign of rain. No squeezing in, no reshuffling – just comfortable, reliable outdoor seating for the whole group.

Outdoor Furniture

Bali 4 Seater Rattan Sofa Set

Comprising of two deep cushioned high-backed armchairs, a deep cushioned sofa and a rectangular glass topped table with shelf. The 80cm long table offers dual storage.

Create a space that blends beautifully with the landscape by choosing natural colours and textures.

This rattan weave has the beauty of a natural basket-weave with better resilience to weather conditions, to offer the perfect combination of style and functionality.

Cannes Range

Vonhaus Cannes Outdoor Range

Made from sustainable and environmentally-friendly PEFC certified Malaysian hardwood - the Cannes range offers a striking rich, reddish hue. The teak oil coating adds an extra layer of protection.

Cannes 4 Seater Dining Set

Comprising of a large octagonal table & 4 folding chairs - all in a classic slatted design - the set is easily portable and lightweight. Simply open out then fold away for convenient storage when not in use.

Cannes 2 Seater Garden Bench

Whether you have a small garden and want somewhere to sit, or a large garden that looks a little empty, this wooden bench will bring a definite charm, as well as a place to enjoy summer days in the great outdoors.

Cannes Garden Chairs - 2 Pack

Soak up the summer sun with our Set of 2 Slatted Wooden Garden Chairs. Features a modern design with high back slatted seats for comfort that will enhance any outdoor space.

Cannes 2 Seater Loveseat

A modern take on the traditional bench, this Jack & Jill Love Seat features a sturdy panelled seat and backrest. The adjoining two-tier table offers the perfect surface for drinks, snacks, books.

Cannes Folding Chairs - 2 Pack

Quality wood boasts a natural appeal that makes it a harmonious addition to green, outdoor spaces. The smart design means it'll look at home on the lawn, deck, patio or balcony.

Vonhaus Ravello Bistro Range

A comfortable spot for two, without the bulk. The Ravello range brings relaxed, foldaway outdoor seating to gardens, patios, and balconies of every size – always ready when you are.

Ravello Bistro Set – Sage Green or Coral

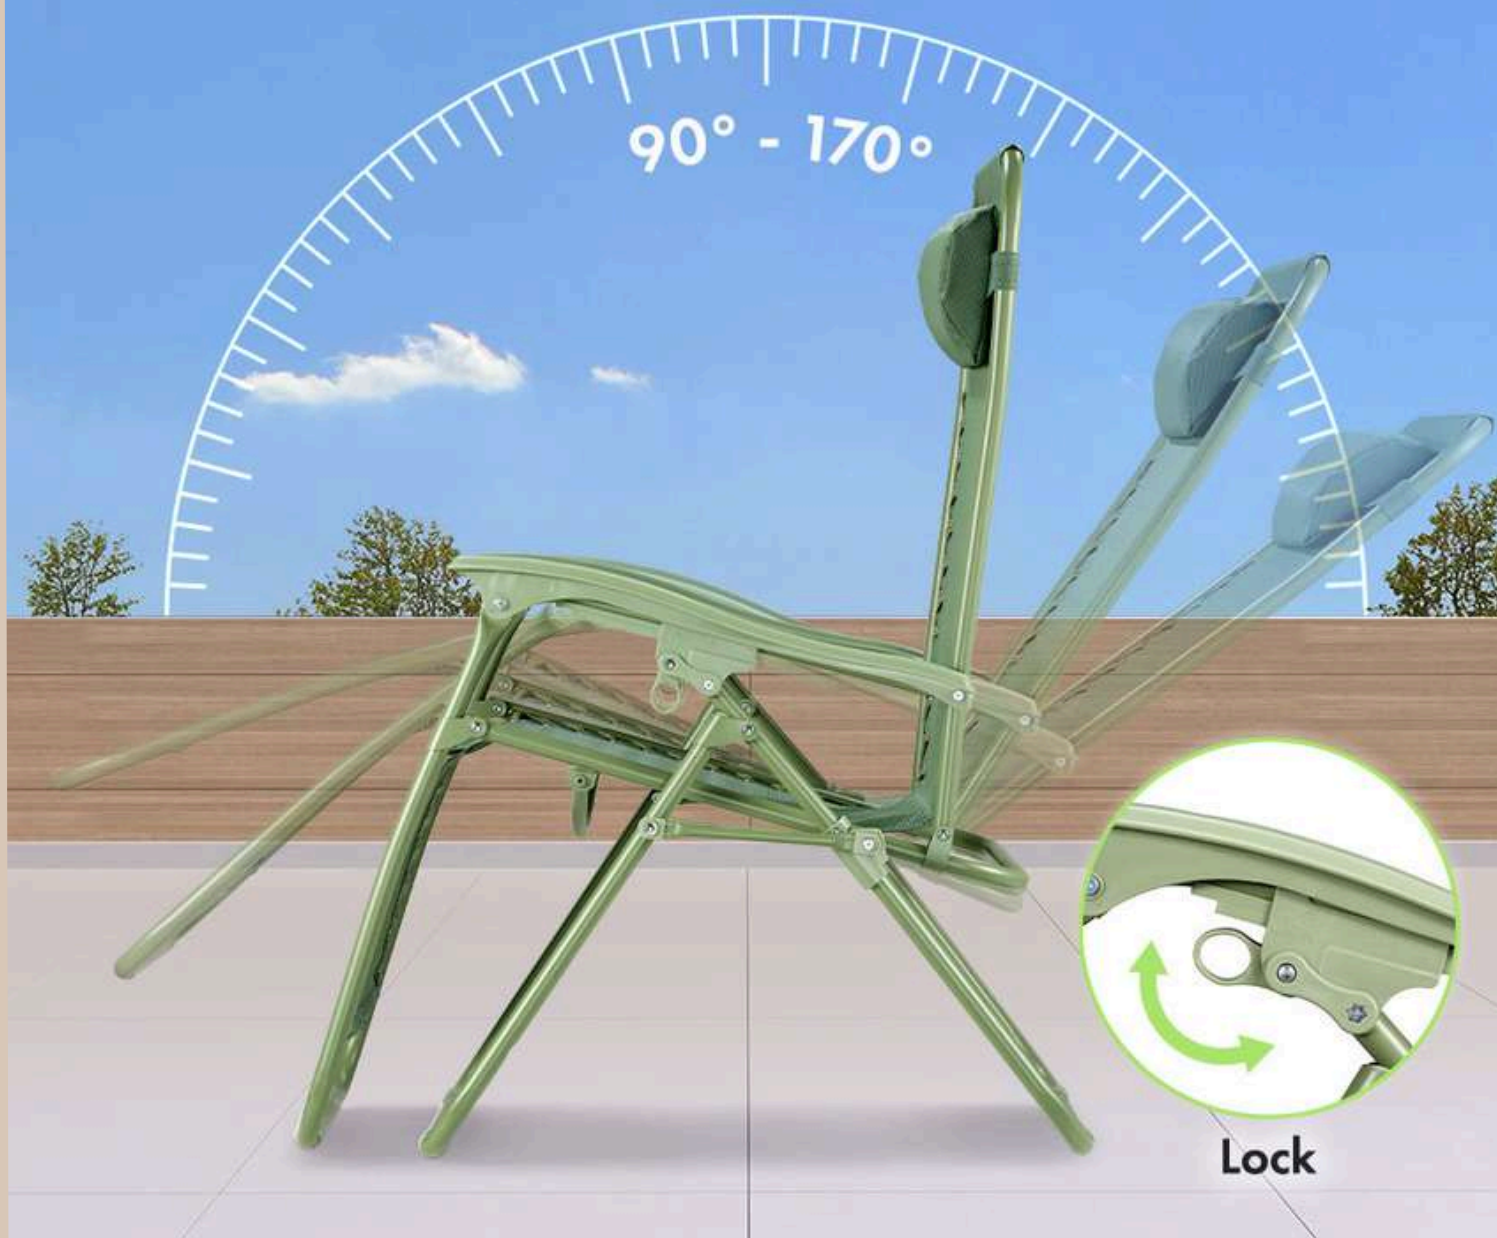

A simple, comfortable spot for morning coffee or evening drinks. The Ravello bistro set includes a table and two chairs in a sage green or coral finish, with a slatted design that sits naturally in any outdoor setting.

Folds away in seconds, arrives ready to use, and fits neatly into smaller gardens, patios, and balconies. A sturdy steel frame and weather-resistant finish handle everyday outdoor use without the upkeep.

Lounge with Ease.

Recline to any position and lock in place for max comfort.

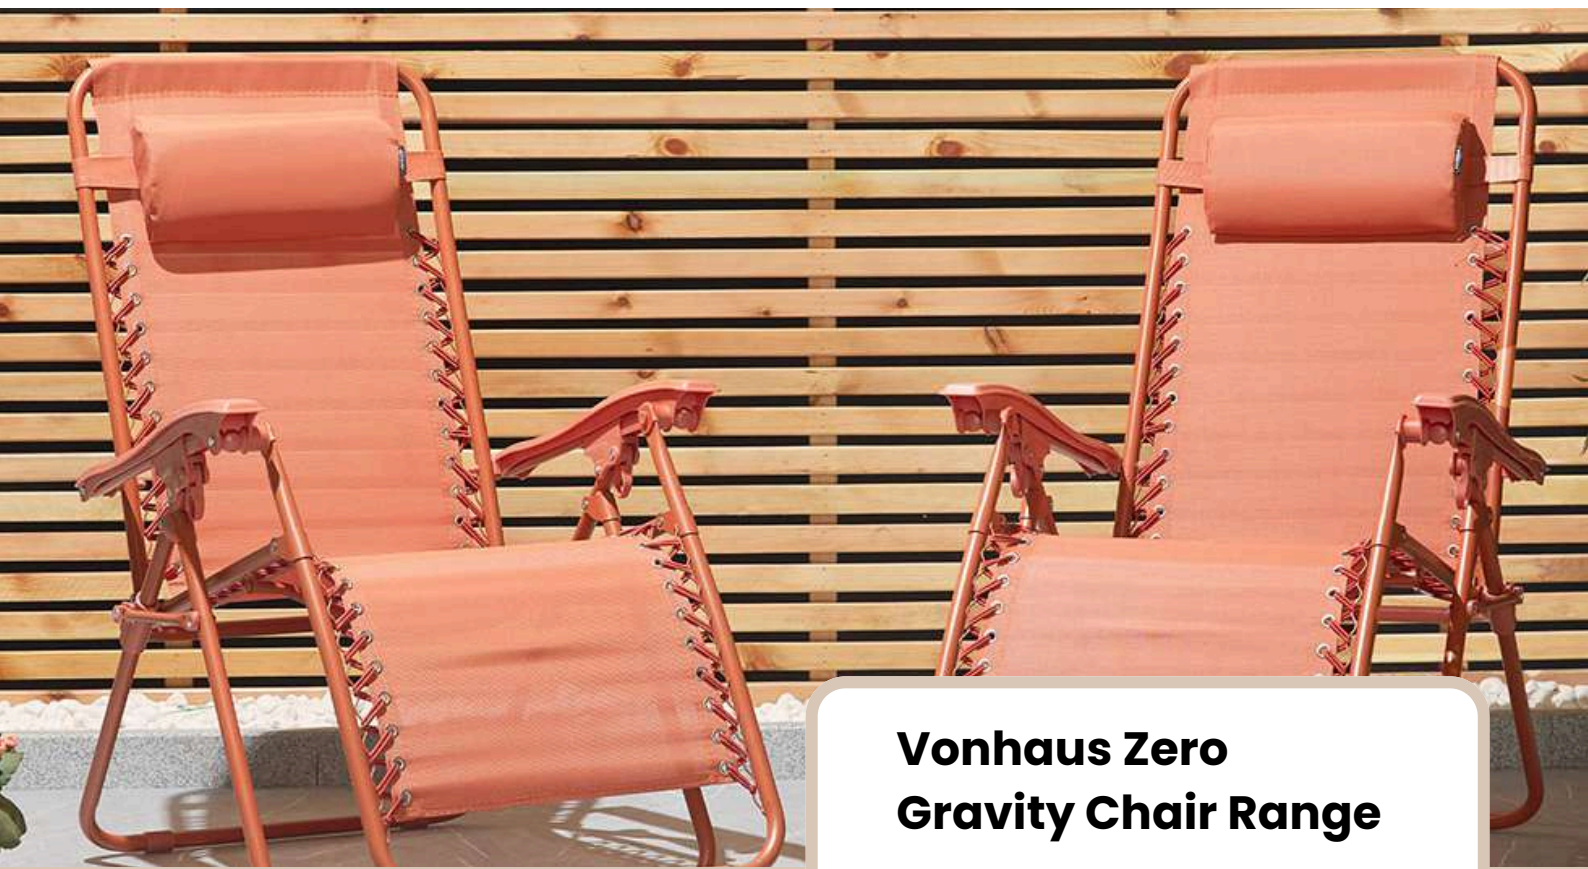

Breathable Textilene Weave Design.

Water and UV resistant, easy to clean and quick-drying.

Zero Gravity Chairs

vonhaus

Vonhaus Zero Gravity Chair Range

Take your outdoor lounging to the next level with the Verona rust zero gravity chairs, designed to bring a contemporary touch to your outdoor space. Perfect for sunny afternoons or evening gatherings.

Verona Set of 2 Zero Gravity Reclining Chairs - 4 Colours

Kick back and relax with the weightless feel of these reclining garden chairs, designed to holistically improve circulation, relieve spinal pressure, and boost overall relaxation.

The intuitive lean-and-lock design lets you recline effortlessly, using the locking lever to secure the sun lounger anywhere between 90-170°.

Verona Set of 2 Canopy Chairs

The canopy chair can be effortlessly adjusted with motion – taking it from an upright to reclining position in an instant. All you need to do is lie back and allow the leg rest to lift as your head lowers.

Verona Set of 2 Padded Chairs

Crafted for durability, its robust powder-coated steel frame is covered in high-quality, wear-resistant Oxford polyester padded fabric in a stylish grey finish.

Hammocks

Vonhaus Hammock Range

reaming of lazy afternoons swaying in the sunshine or cosy nights under the stars? You're in the right place. From garden hammocks with stands to camping hammocks built for adventure.

Ibiza 1 or 2 Person Hammock with Stand - Available 4 Designs

Relaxation reaches new heights with the VonHaus Garden Hammock with Frame. Perfect for unwinding.

Built for durability, the easy-to-assemble steel frame includes secure attachment points for both ends of the hammock.

The portable frame allows you to move it around with ease, making it perfect for following the sun throughout the day.

Santori Hammock with Wooden Frame

The VonHaus Wooden Frame Hammock is designed to enhance your outdoor living area, featuring a neutral white and brown colour scheme that effortlessly complements any décor.

Boho Fringe Hammock with Stand

Create a chic style statement with this freestanding hammock, featuring a stylishly understated beige colourway and crocheted tassel detailing to complement any garden décor.

Vonhaus Hanging Chair Range

No space outside? No problem! Swing chairs work equally well indoors, making them a future-proof investment that'll keep you comfy for years to come.

Seville Hanging Swing Chair Range - 4 Different Designs

Crafted from a premium poly cotton blend, the garden hanging chair offers softness and durability. The fabric's breathable nature ensures optimal comfort, allowing you to lounge for hours on end, season after season. It's easy to clean too; simply mix a mild detergent with warm water and sponge down.

Equipped with high quality stainless steel hardware, our swinging chair guarantees worry-free relaxation with every sway

Tivoli Grey Rattan Hanging Egg Chair

Inspired by bohemian design, our faux rattan egg chair brings a light and airy feel to your garden. Feel the fresh air all around as you unwind in your new cocoon chair.

Parasol Range

Garden Parasol - Available 2m or 2.7m - 4 Colourways

Enhance your outdoor experience this summer with our 2m & 2.7m garden parasols. The parasol's multiple colour options complements any garden, offering a shaded retreat to relax.

When you invest in a garden parasol, you need durability and practicality. Our parasol features a high-quality 180gsm polyester canopy that is both UV30+ and water-resistant, offering protection against the sun's harsh rays and light rain showers.

Black Parasol Base

Made to suit traditional umbrella style parasols, this base fits pole diameters up to 57mm. Rather than heavy concrete or cast iron, this decorative VonHaus weighted poly resin stand is durable and low maintenance.

Grey Round Granite Parasol Base

Features a sturdy metal pole holder, three pole adaptors to help accommodate a variety of parasol choices and a compact design that balances stability and style. Perfect for patios.

Grey Square Granite Parasol Base

With a 22kg base weight and 2 locking screws, this parasol base is safe and secure even on windy days. 3 different pole adaptors for versatility 3.2cm / 3.8cm / 4.8cm.

Vonhaus Garden Parasol Range

Whether you're relaxing with a book, dining alfresco, or entertaining guests, a VonHaus parasol offers UV protection, adjustable positioning, and effortless elegance to enhance your outdoor space.

Banana Style Parasol 3m - Grey or Cream

The 3m parasol creates plenty of room for your favourite sofa set, bistro set, or picnic blanket – with no central pole getting in the way. Both functional and stylish, the black steel frame and grey parasol umbrella create a modern addition to any garden.

With UV30+ protection, the parasol's simple crank, tilt, and rotate mechanisms make for easy adjustment, so you can switch between the shade and sun in an instant.

4 Pack Cantilever Parasol Base Kit

Crafted from high density polyethylene plastic. Built to withstand the rigours of outdoor conditions, this premium material ensures your parasol base remains in top-notch condition, whatever the weather.

2 Pack Banana Parasol Base Set

Simply slip them into place and you'll create a sturdy weighted base that will withstand most gusts. Each segment weighs in at 12.5kg, building a 50kg stabiliser when a full set is used.

Fire Pits

Geo Outdoor Fire Pit

Perfect for traditional and modern garden furniture, this geometric fire pit by VonHaus features a unique design, merging sleek lines with curved shaping. The charming bronze-tinted finish adds charm, creating the perfect centrepiece to cosy up by.

Suitable for burning logs or charcoal, keep the fire burning all night with the heat-resistant fire poker.

The fire poker is also perfect for toasting yourself some marshmallows – our preferred method!

SCAN HERE

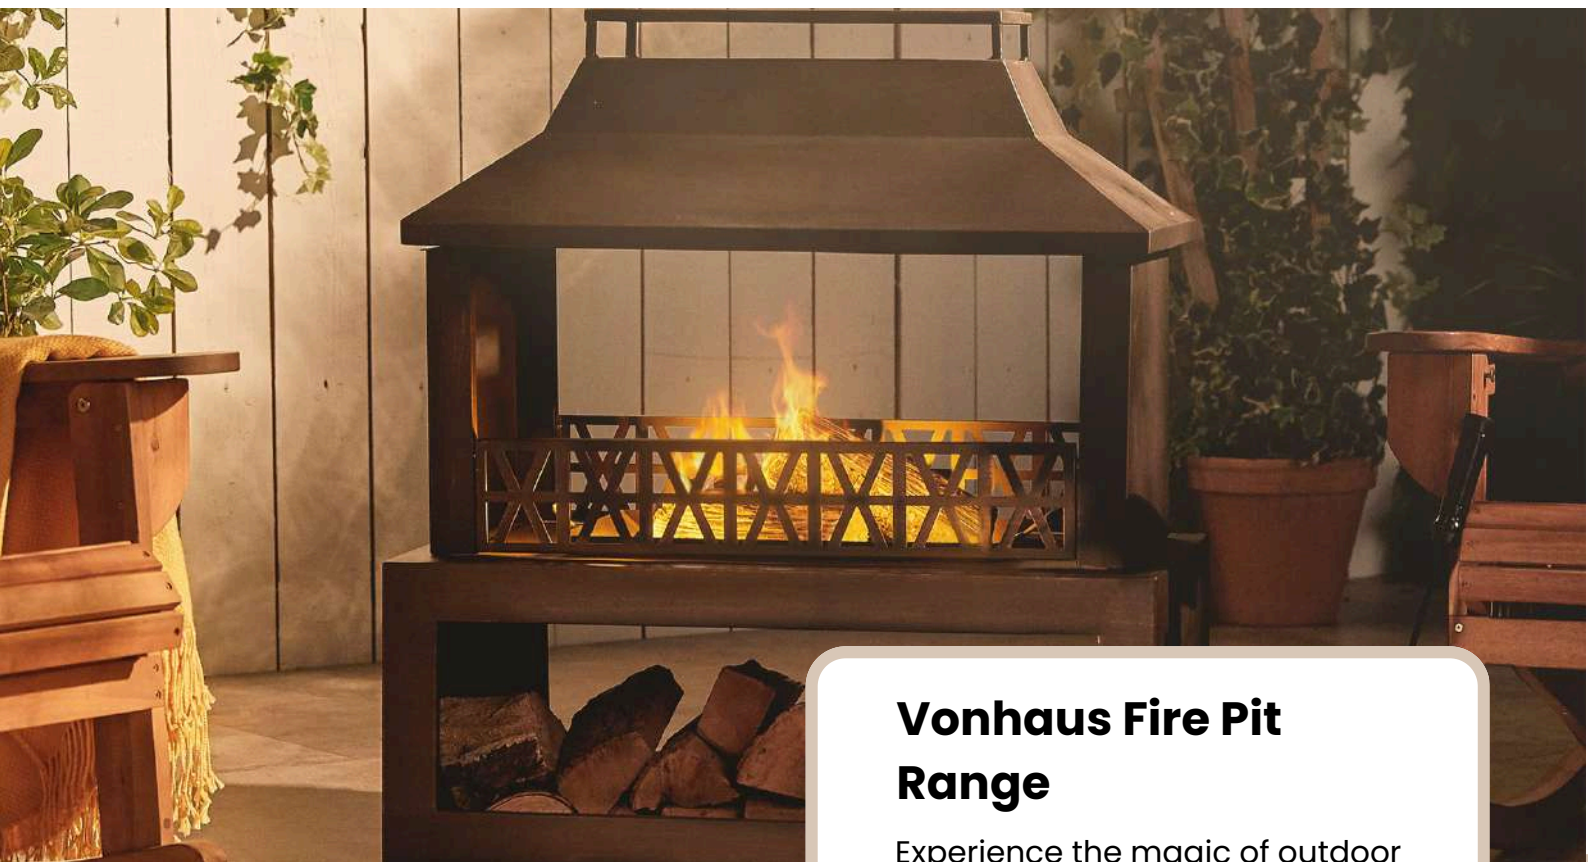

Round MgO Fire Pit – Grey or Cream

Magnesium oxide is the ultimate all-rounder in the world of fire pits, providing rust, frost, and UV resistance whilst remaining lightweight. From crisp winter mornings to summer days, enjoy your round fire pit.

Flame Design Round Fire Pit

Marvel at the mesmerising shapes created by the flame motif and cut-out design, adding a glowing ambience to your garden in unique style.

Vonhaus Fire Pit Range

Experience the magic of outdoor living with our stylish garden fire pits and fire pit bowls. Our VonHaus fire pits are lightweight yet incredibly durable, offering a sleek, modern look that complements any garden or patio.

Outdoor Fireplace

Crafted from durable steel, this fireplace not only provides warmth but also serves as a striking focal point for gatherings in your garden.

Below the fireplace there is ample room to store logs ready to keep your fire going; also includes a fire poker.

The sleek metallic brushed steel finish complements any outdoor décor, adding a touch of sophistication to your space.

L82 x D45 x H90cm – Enhance your outdoor living space with the VonHaus Steel Garden Fireplace—where durability meets design, creating the perfect ambiance for any occasion.

Black & Copper Fire Pit

Featuring an elegant copper-patterned finish, but that's not all – when it's time to get cooking, simply remove the cover to reveal a large BBQ grill. Imagine roasting marshmallows, grilling burgers, or cooking up a whole feast for your family and friends!

Flame Design Square Fire Pit

This mini fire pit is all you need to spruce up any garden – small or large. At just 45cm wide and 45cm deep, make the most of small outdoor spaces and create a stunning statement.

Pergolas

3m x 3m Pergola with Sliding Roof

Slide the easy-glide canopies smoothly along the frame with the pull of a handle – no tools required! The weighted ends keep the sliding roof pergola firmly in place, whatever your chosen setup.

Designed for all seasons, our outdoor pergola boasts a PA coated 160gsm polyester canopy that resists water. Also with UV30+ protection, the heavy duty roof pergola shields you from harmful rays whilst you get your daily dose of fresh air!

Planning a long sunbathing session? Simply remove the canopies and store them away to transform your pergola in minutes – a multiuse must-have for any outdoor setup.

3m x 4m Pergola with Roof

Control the sun and shade with ease thanks to the smooth-glide retractable design. The pull cord makes it effortless to slide the canopy to your desired position, whilst the magnetic pads keep it securely in place

3m x 3m Pergola with Roof

With its heavy duty 180g polyester canopy and adaptable design, our gazebo with retractable roof enables you to embrace the beauty of your outdoor space all year round. Water, wind, and UV30 resistant

3m x 3m Pop-up Gazebo Set - Grey or Cream

Introducing the large pop-up gazebo 3x3m – the perfect addition to your garden for those warm summer days and evenings. With its easy-to-assemble 3x3m frame, it's ideal for family gatherings, garden parties, and lazy afternoons in the shade.

The last thing you want is to spend hours assembling a complicated gazebo. That's why this pop-up gazebo is designed for fast and easy assembly. Pop it up, and you're ready to go!

2.5m x 2.5m Pop-up Set Set - Grey or Cream

This 2.5m x 2.5m gazebo is perfect for any outdoor activity, from hosting a backyard BBQ or garden party. It's easy to use, and super stylish, making it a must-have addition to your garden.

2m x 2m Pop-up Set - Grey or Cream

Built to withstand the elements. Made from sturdy steel and topped with a cover, this 2m garden pop-up gazebo with sides will keep you and your guests dry and cosy – even when the weather takes a turn.

Sanders

300W Random Orbital Sander

Tackle sanding and polishing tasks with ease using the VonHaus 300W Random Orbital Sander, ideal for both coating removal and smooth finishes on flat and curved surfaces.

Powered by a 300W motor with 6 variable speeds up to 12,000RPM, it delivers consistent performance with a compact, easy-to-control design.

Includes sanding sheets and dust extraction accessories to help keep your workspace clean and ready to use.

130W Palm Detail Sander

Achieve smooth, precise finishes with the VonHaus 130W Palm Detail Sander, ideal for sanding, shaping, and removing paint or rust.

Powered by a 130W motor with 13,000RPM, it features a pointed tip for tight spaces, ergonomic one-handed control, and a 3m cable for flexibility.

Includes 12 sanding pads and dust extraction accessories to keep your workspace clean and efficient.

250W Belt & Disc Sander

Helping you get perfect results, this belt and disc sander is an ideal addition to your work bench. At 250W and 2980RPM this sander is powerful and sure to get the job done

Comes with 3 sanding discs and 3 sanding belts for multi-functional use for a range of jobs.

For the neatest results, this sander comes with an adjustable sanding table which tilts on at a 0° - 45° angle for your needs.

350W Benchtop Belt & Disc Sander

The sanding belt can be used in a vertical or horizontal position, and can be tilted 0 - 90° to access hard-to-reach areas. While the sanding disc table can be tilted to any angle up to 45°, allowing you to achieve results that would be much harder with a conventional machine.

The gutsy 350W, long-life motor boasts a smooth and quiet operation and its integrated dust port ensures a cleaner working area while improving efficiency.

Nail & Heat Guns

2000W Heat Gun

Complete DIY tasks quickly and efficiently with the VonHaus 2000W Heat Gun, ideal for paint removal, loosening adhesives, bending plastics, and more.

Featuring two temperature settings from 350°C to 600°C, it delivers controlled heat for a wide range of applications.

Supplied with four specialist nozzles and a durable, ergonomic design, it ensures precise results and safe, comfortable use.

Nail Gun & Electric Tacker

Simply turn the adjustment nozzle to select the desired tacking strength for your project.

The soft-grip handle promotes comfortable use and minimises the chance of operational fatigue.

The strip magazine fits 100 X staples and 100 X nails – minimising the need for replenishment.

800W Paint Sprayer Gun

Boasting a forceful 800W motor, the paint station delivers a strong continuous flow of 1100ml per minute.

The flow rate is adjustable, simply twist the nozzle to reduce the flow volume.

The large 1300ml cup capacity reduces the need for refills.

This machine can flawlessly spray thick paints up to 120 Din-S viscosity.

400W Paint Sprayer Gun

Select an option between the min. and max. flow volume level by simply turning the nozzle. Choose your flow rate depending on the kind of coverage you require. Depending on the project, it may be best to use a lower flow rate and multiple coats.

The spray pattern shape is adjusted by rotating the spray pattern adjuster to either the vertical, horizontal or diagonal positions.

DIY Scaffold

DIY Scaffold Platform

Instantly set up a sturdy and spacious work platform for carrying out all types of general maintenance, including painting, decorating, window cleaning and more.

1.8M Galvanised 5-Tier Racking

The unit features an industrial look to fit your workspace décor, and the galvanised steel offers rust-prevention that will make the unit last for years to come.

Each shelf can hold up to 175kg, resulting in racking that can comfortably and safely hold your heavier tools.

Customise the shelf heights helping to create your perfect storage solution.

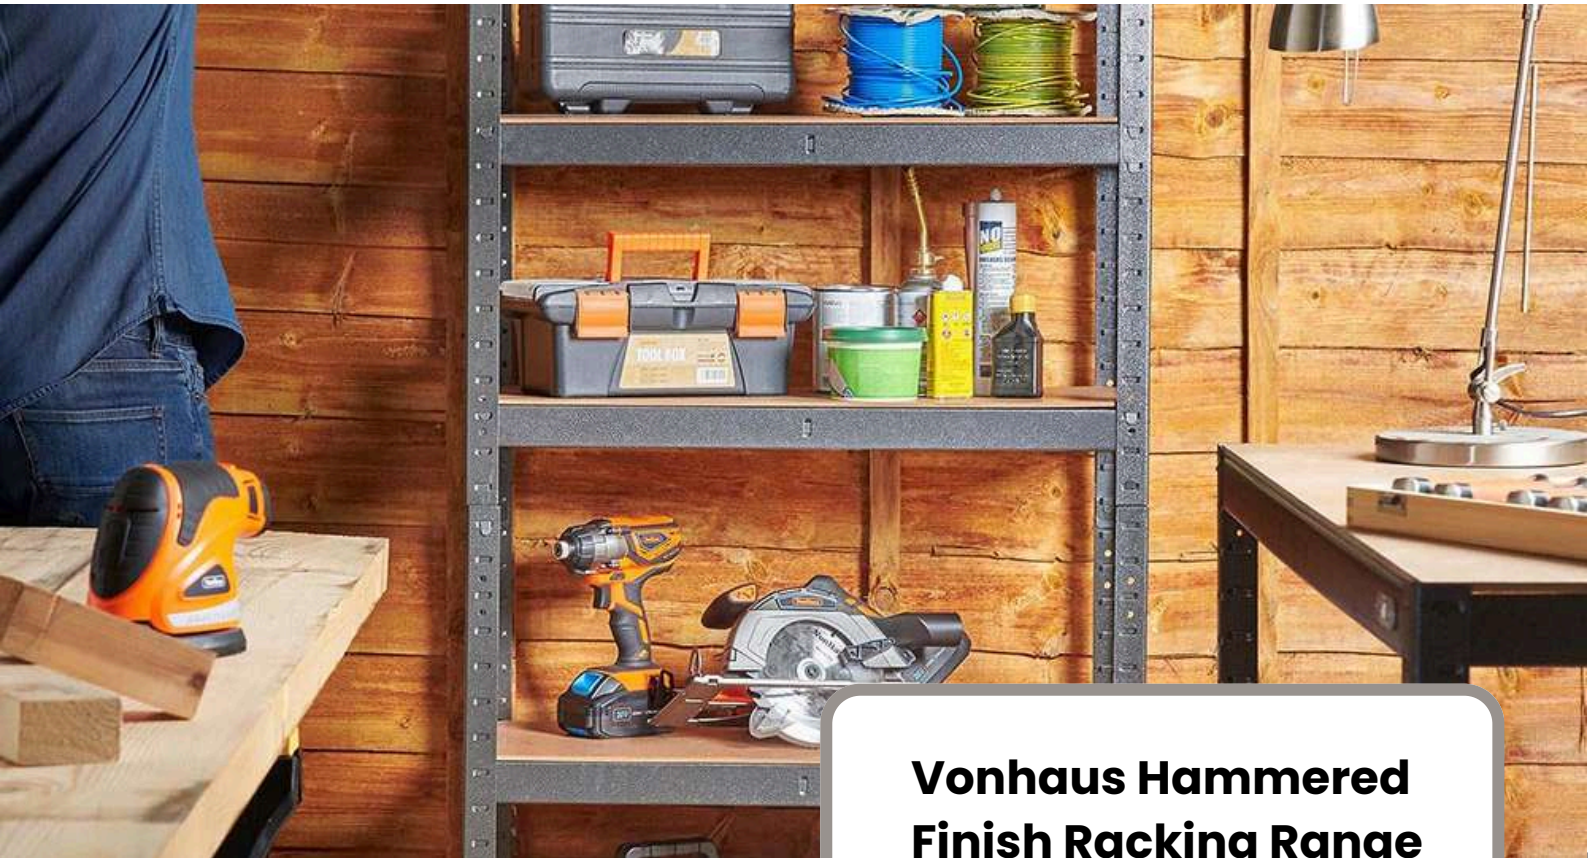

1.5M Galvanised 5-Tier Racking

The unit features an industrial look to fit your workspace décor, and the galvanised finish offers rust-prevention that will make the unit last for years to come.

1.5M Galvanised Corner Racking

Use our Galvanised Garage Storage Corner Racking to maximise space in your DIY area. Each shelf can hold up to 175kg, resulting in racking that can comfortably and safely hold your heavier tools.

Vonhaus Hammered Finish Racking Range

Thanks to an intelligently designed keyhole locking system, constructing the racking is extremely quick and easy. What's more, you won't need any tools – just a rubber mallet.

1.8M 5-Tier Heavy Duty Racking

Our 5 tier racking can hold a maximum of 175kg per shelf – equating to a total load capacity of 875kg. Finished in an attractive grey colour and hammerite texture, it's in keeping with industrial settings.

1.5M 5-Tier Heavy Duty Racking

Constructed from heavy duty coated steel plates with cut-to-size 6.2mm moisture-resistant and splash proof MDF boards in an attractive grey hammered finish, this is a perfect storage solution for any garage.

1.8m 5 Tier Extra-Wide Shelving

Made from heavy-duty industrial steel, this unit has an impressive load capacity of 175kg per shelf (evenly distributed) giving a total loading capacity of 875kg.

1.8M 5-Tier Heavy Duty Corner Racking

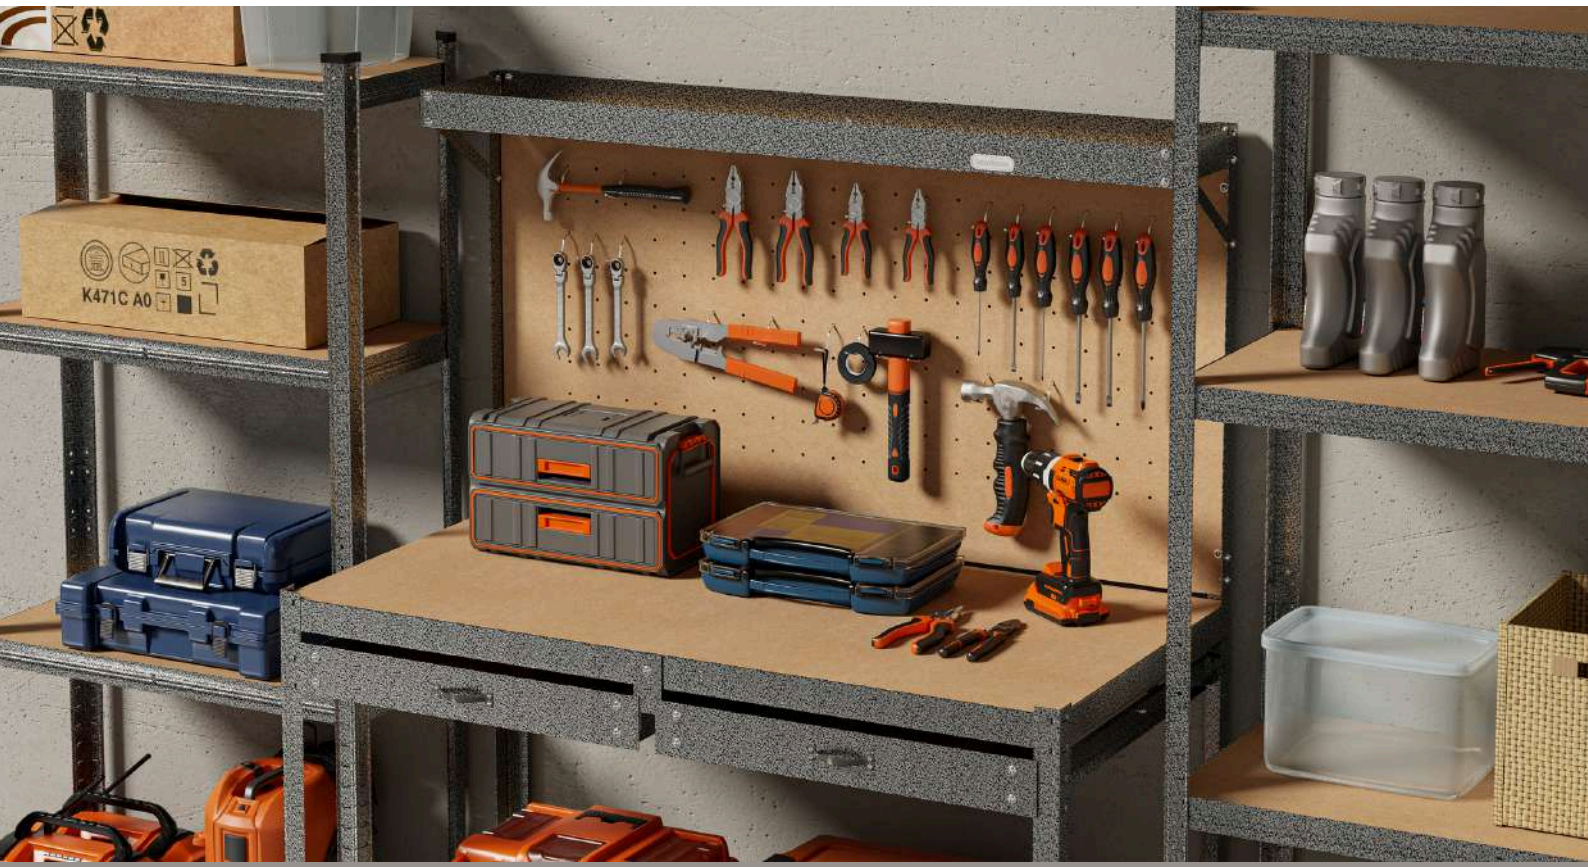

This shelving unit can only be attached to the VonHaus 5 Tier Racking and the VonHaus Extra Wide 5 Tier Racking to complete a corner and create a larger storage system.

4 Tier Plastic Shelving

The VonHaus 4 Tier Plastic Shelving Unit is the perfect convenient storage for your at-home office or garage. With 4 x 30cm deep shelves that can hold 20kg each, you can store away everything from household tools to books to children's toys with ease.

Garage Solutions

Workbench with Pegboard

Stay organised and work efficiently with the VonHaus Workbench with Pegboard, providing a solid, stable surface and integrated tool storage for DIY and workshop tasks. Built with a reinforced steel frame, it offers excellent stability and a 230kg total load capacity for demanding use. With a built-in pegboard, two drawers, and a lower shelf, it keeps tools and materials within easy reach while maintaining a clear, practical workspace.

5 Tier Wire Shelving

Each shelf can hold a maximum of 100KG, with the whole unit offering a large 500KG weight capacity, ideal for storing away heavier objects.

4 Tier Wire Shelving

Make the most of your home space and neatly organise your workshop, home office or garage using our 4 Tier Wire Shelving. Customise the shelves' heights to suit your preferences and make space for larger items.

Work Bench & Storage Unit

The VonHaus storage workbench is a must for every garage! With a large shelf to store tools and accessories, as well as a large work surface, it's the perfect place to take on DIY projects and store away your tools.

Vonhaus Pegboards & Storage Range

Made from durable materials, our tool pegboards are easy to install and can be tailored to fit any area.

With a variety of hooks, shelves, and accessories available.

Metal Tool Pegboard 44pc Set

Each 40cm x 60cm pegboard has individual mounting holes built-in, so you can choose to arrange them separately where you need them or together as one large storage space.

Pegboard & Shelf Tool Organiser

The pegboard comes in 2 sections, as does the shelf, so you can use them as one large unit, or separately as two individual ones – great if you're working in a smaller or awkward space.

30pc DIY Organiser

A great choice for those low on free floor space, this versatile and practical organiser is wall mountable. Features 30 strong orange plastic bins: 12 large bins measuring 16.3 x 10.5 x 7.2cm and 18 smaller bins measuring 9.3 x 9.9 x 4.9cm.

44pc Storage Bin & Hook Set

Keep workspaces organised, ideal for storing tools, fixings, and small parts. Featuring a mix of large, medium, and small bins alongside hooks and two back panels, it offers flexible, customisable wall storage. Made from durable, impact-resistant plastic, it's designed for long-lasting, space-saving organisation in garages, workshops, and sheds.

Bike Storage

Vonhaus Bike Storage Range

Our VonHaus Bike storage solutions include wall-mounted bike holders and bike storage hooks designed to keep your bike secure and accessible, whether at home or in a garage.

SCAN HERE

Bike Storage Wall Mount Kit

Free up floor space by utilising wall space with our Bike Storage Kit.

Keep a total of three bikes and three helmets neatly organised for when you need them with our bike storage solution.

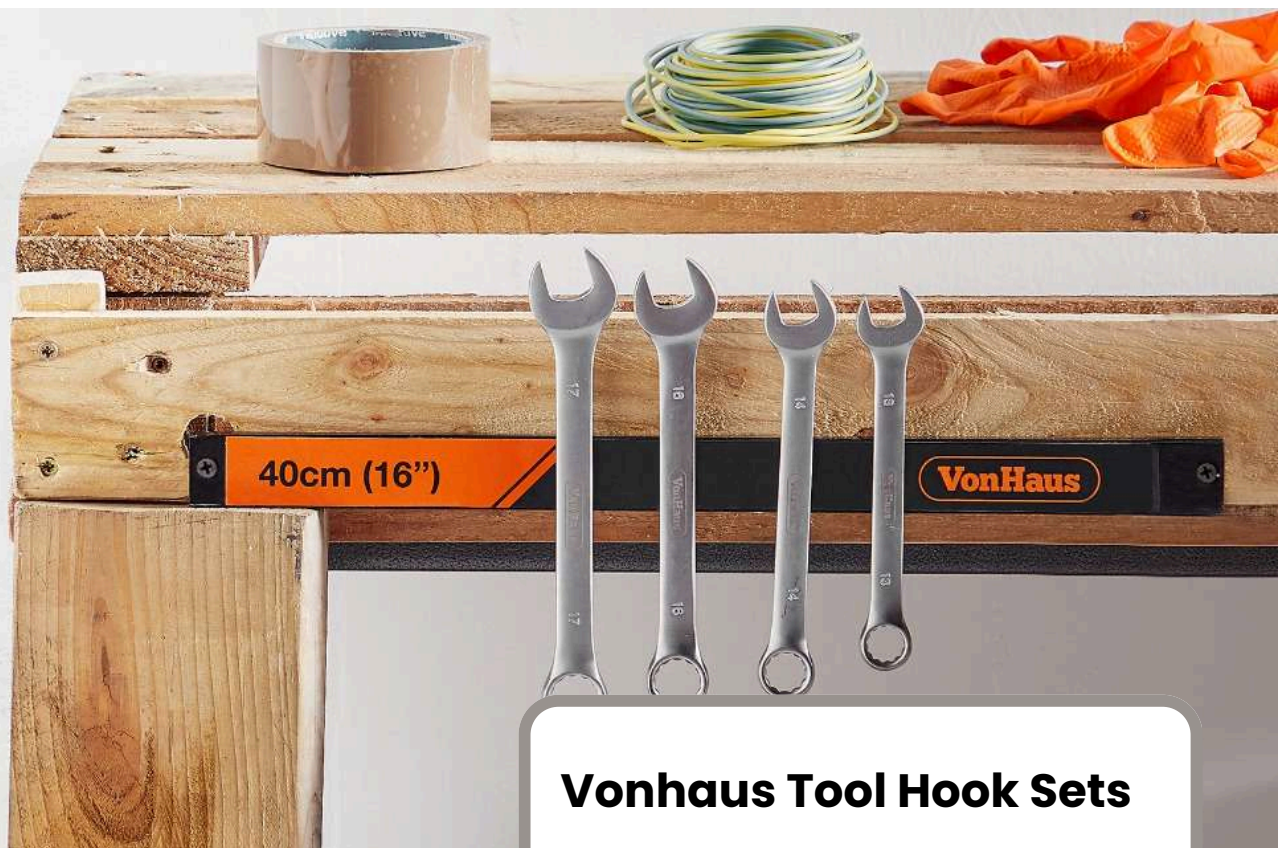

With a robust max capacity of 25kg per bike wall hanger, safely store a range of bikes and accessories.

This sturdy bike rack is any cyclist's storage dream!

Bike Storage Hooks

Each bike hook is made from sturdy steel, coated in a durable plastic to avoid scratching or otherwise damaging your bike's frame or wheels when lifting it on and off. The hooks come with wall fittings, screws and wall plugs.

Vonhaus Tool Hook Sets

Tackle repairs, maintenance, and DIY projects with VonHaus garage tool sets, designed for versatility and everyday use. Each set includes a wide range of essential tools, neatly organised in durable carry cases for easy storage and transport.

10pc Garage Tool Hook Set

To accommodate various tools, five various wall-mounted hook types are included.

Use the hooks with most wall types, from wood to brick walls and plaster board.

Dipped in PVC, the heavy duty steel hooks provide scratch resistance and anti-slip properties to ensure your tools are safely held in place.

Install the tool hooks in no time with the included screws and pre-drilled plate holes for easy alignment.

40cm Magnetic Tool Holders - 4pc

Made from solid steel for enhanced durability, each strip is capable of carrying tools up to 14kg. Link all four strips together to create a single magnetic strip 160cm long.

60cm Magnetic Tool Holders - 3pc

The steel structure creates a tough, durable surface with a magnetic attraction that's capable of holding onto tools up to 20kg

Sawhorses

Heavy Duty Sawhorse (Twin Pack)

Anti-slip top surfaces help ensure that your wood will stay securely in place, allowing you to work safely and with precision.

Use the 2x4 support arms to create a spacious work platform wherever you are. Choose between 9 height settings from 62-81cm and holding over 1 tonne between both sawhorses.

Easily transport the lightweight sawhorses thanks to convenient carry handles, and once folded the compact sawhorses can be stored away with ease. Access the sawhorses in no time with its fast-open mechanism.

150kg Sawhorse Twin Pack

Heavy duty plastic construction with spreader bars for extra stability. Non-slip rubber support bar with flip up end stops keep materials in place. Features metric and imperial measurement markings.

Sawhorse Twin Pack

Each one comes with legs which can be manually folded for compact storage and transportation. Each one also has a handle attached for convenient carrying. Capable of supporting up to 125kgs for heavy duty projects.

Safe Box

From spare keys to important documents, the VonHaus safe range delivers reliable protection without the complexity. Every model combines durable steel construction with smart digital access and straightforward installation – security that just works.

71 Key Digital Cabinet Safe

A smart, secure solution for anyone managing a large number of keys. This wall-mounted cabinet keeps up to 71 keys organised and protected behind an electromagnetic bolt lock, making it ideal for landlords, offices, and busy households alike.

Access is controlled via a digital keypad with a 3–8 digit code, with LED indicators confirming successful or failed entries and flagging low battery. Two emergency override keys are included. Inside, adjustable and removable shelves, 71 colour-coded key tags, and an anti-theft drop slot make organisation effortless.

Built from rust-resistant solid steel, it comes pre-drilled with all wall-mounting hardware included.

8.5L Safe Box - Small

Compact and reliable, this mini safe keeps everyday valuable secure in bedrooms, home offices, or on the go. Set a 3–8 digit code for quick access, with a self-locking alarm and two override keys as backup. Includes interior LED, mute mode, USB-C emergency power, and wall or floor mounting hardware.

27L Safe Box - Medium

Generous enough for documents, valuables, and more, this home safe suits apartments, homes, and offices alike. A 3–8 digit code, self-locking protection, LED indicators, and a built-in shelf keep security and organisation simple.

3-Arm Rotary Ailer

4-Arm Rotary Ailer

Flexible drying solutions to suit different household needs.

Vonhaus Rotary Airing Range

Make the most of every dry day with a VonHaus rotary washing line. Generous drying space, weather-resistant materials, and everything included to get started straight away – kinder on fabrics and kinder on energy bills.

30m Rotary Washing Line

Coffee spills, muddy paw prints, accidental red wine stains? We've all been there – the panicked scrubbing, blotting, and dabbing that only makes it worse.

This 3-in-1 spot cleaner sprays, scrubs, and vacuums in a single step, lifting dirt, pet fur, and stains quickly and efficiently. Made for life's messy moments, it's a must-have spot cleaner for carpets, upholstery, and cars.

45m Rotary Washing Line

With 45 metres of line across four arms, this rotary ailer handles around four full machine loads at once – ideal for larger households tackling towels, bedding, and family laundry. Rust-resistant steel frame, foldable arms, and a protective cover keep it weather-ready year-round. Ground spike, pegs, peg bag, and cover all included

Vonhaus Air Conditioning Range

Our air conditioners are designed for real homes and real people—easy to move, effortless to use, and powerful enough to bring instant relief. No fuss. Just fresh air, fast.

SCAN HERE

High-Performance Air Conditioner - 12000 BTU

Maintain a cool home without the stress of soaring bills and environmental impact. Thanks to its Class A energy efficiency rating, our air con unit is a sustainable alternative to traditional air conditioners.

Our portable air conditioner does more than simply cool; with four operating modes to choose from, plus a 24-hour timer, 16-32°C temperature range, and dual fan speeds

High-Performance Air Conditioner - 7000BTU

Suitable for rooms up to 15m², our 7000BTU air conditioner provides you with much-needed cool air, creating a comfortable home for the whole family.

High-Performance Air Conditioner - 9000BTU

Compact but mighty, it boasts 9000BTU of power to effectively cool large rooms up to 18m². Whether you're sleeping or unwinding, this air conditioner meets all your cooling needs, all round the clock.

Tower Fans

SCAN HERE

40-inch Bladeless Fan with Wi-Fi & HEPA – White

Switch it on before you enter the room, lower the speed from bed, or adjust it mid-task. Use the app, remote, or voice control with Alexa and Google Home – whatever suits you in the moment.

With 60° oscillation and strong output, this oscillating fan pushes air across the room, so you still feel it as you shift from the desk to the sofa.

40-inch Tower Fan with Wi-Fi – White

This tower fan with Wi-Fi lets you deal with it without leaving your seat. Use the app or remote to switch it on from the sofa, adjust it from bed, or set it before you walk into the room.

Portable 31" Tower Fan – Black or White

The controls are neatly arranged on the top at a usable height and enable you to adjust fan speed from low to high. It's light enough to carry from room to room using the easy-carry handle

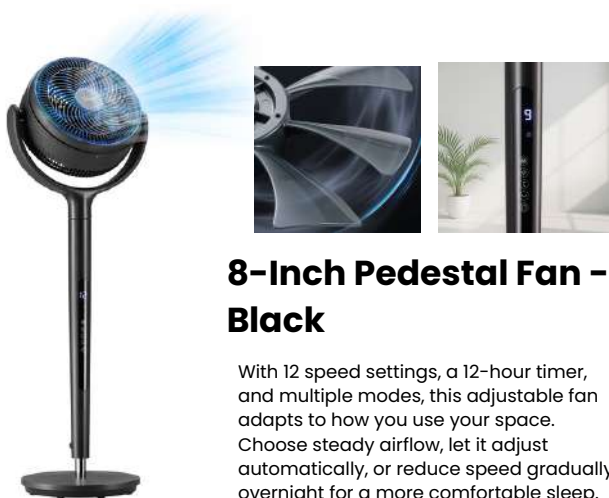

35" Tower Fan – Black or White

Ideal for home offices, this 35" fan includes 3 speed settings and 3 breeze modes to give you complete control, letting you have your space exactly as you like it.

Vonhaus Cooling Fan Range

Designed to provide strong airflow, these fans are perfect for staying cool during warm weather. Fans created to allow for a personalised and comfortable breeze.

8-Inch Pedestal Fan – Black

With 12 speed settings, a 12-hour timer, and multiple modes, this adjustable fan adapts to how you use your space. Choose steady airflow, let it adjust automatically, or reduce speed gradually overnight for a more comfortable sleep.

Air Circulator Cooling Fan

All functions of your air circulation fan can be operated and adjusted with ease using the wireless remote control. Plus, the digital LED display provides another way to control the settings.

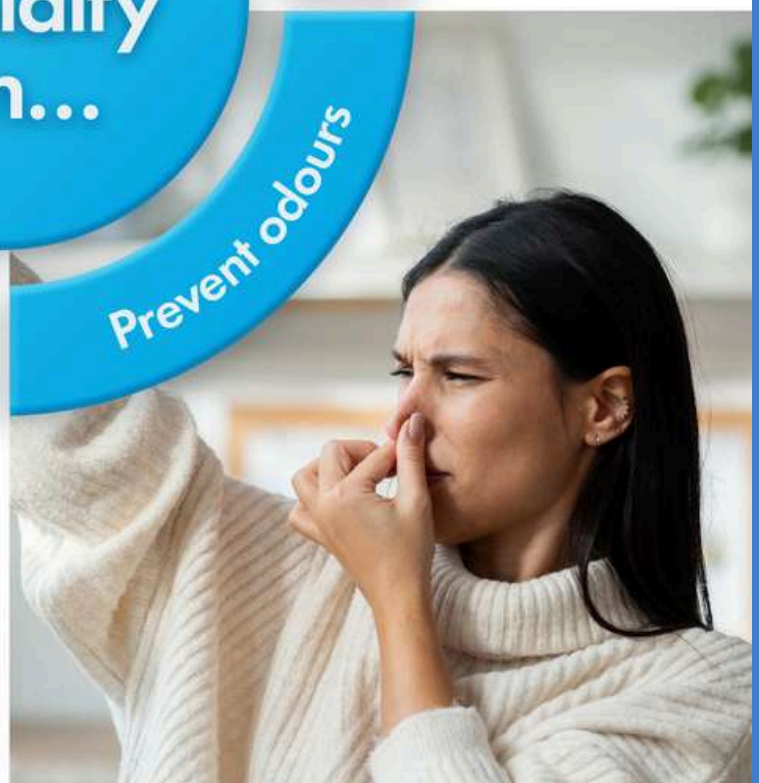

12-inch Floor Fan – Chrome

Powered by a high velocity 40W motor, create instant cooling when you need it the most. Weighing just 2.5kg and equipped with a convenient handle.

Ultra Quiet Air Circulation Fan

Effectively cool your entire space using the auto-oscillation feature. With a wide range of 80° side-to-side and 90° up-and-down, this air circulator fan reaches more than the space directly in front of it.

Smart dehumidifying control.

Control your dehumidifier from anywhere with the app or voice commands.

6 Cup Cafetiere with Spoon

The VonShef cafetière is easy to use: simply scoop in your favourite ground coffee and add the required amount of water just off the boil. In just 4 minutes your coffee will be ready to filter.

9 Cup Espresso Maker

Master the art of authentic espresso coffee with this elegant 450ml stovetop espresso maker from VonShef. The ideal size for serving up 9 cups of espresso, this time-tested device produces a rich, highly concentrated coffee.

Electric Coffee Bean Grinder

Craft the perfect cup at home with our sleek matt black grinder, featuring robust stainless-steel blades and a generous 60g capacity for up to four coffees.

The transparent lid lets you monitor your grind while ensuring total safety with a built-in locking mechanism that only activates when secure. Complete with integrated cable storage, this stylish and compact tool is the ultimate addition to any modern kitchen.
